

John Molot MD FCFP
Curriculum Vitae
July 2024

EDUCATION and DEGREES

2003 November	Fellowship College of Family Physicians of Canada
2000, June 9-11	Trained as Peer Presenter, Environmental Health workshop, College of Family Physicians (Ontario)
1982 June	Certification, College of Family Physicians of Canada
1972-73	Resident, Internal Medicine, Montreal General Hospital, Montreal, Quebec
1971-72	Rotating Internship, Ottawa Civic Hospital, Ottawa, Ontario
1971	Medical Degree, University of Ottawa

EMPLOYMENT

2007 to June 2024	Staff Physician, Environmental Health Clinic, Department of Family Medicine, Women's College Hospital, Toronto, Ontario
1986 to December 2014	Medical Practice focused on Environmental Medicine, Ottawa, Ontario
1980 -86	Family Medicine, private practice, Ottawa, Ontario
1975-1980	Family Medicine, Sandy Hill Community Health Centre, Ottawa, Ont.
1973-1975	Family Medicine, private practice Ottawa, Ontario

PRESENTATIONS AND SPECIAL LECTURES

2024 July 10	Presentation to Lookout Housing and Health Society. "Why we all need a scent-free policy." 20 mins
2024 June 26	Presentation to Canadian Human Rights Commission. "Multiple Chemical Sensitivity: An Update on the Medical Perspective." 25 mins
2024 June 20	Presentation to British Columbia Office of the Human Rights Commissioner. "A Medical-Legal Perspective on Accessible Justice for Persons with Multiple Chemical Sensitivity." 20 mins
2024 May 28	Presentation to Lookout Housing and Health Society. "Why We All Need a Scent-Free Policy." 30 mins
2024 May 23	Panelist. Canadian Congress on Disability Inclusion. Pathways to Change: Showcasing progress towards inclusively built environments. 1 hr:15 mins

2024 May 8	Presentation to Nunavut Law Society. "A Medical-Legal Perspective on Accessible Justice for Persons with Multiple Chemical Sensitivity." 20 mins
2024 May 7	Presentation to Parliamentary Precinct. "Multiple Chemical Sensitivity: Eliminating Barriers." 30 mins
2024 April 25	Presentation to Saskatchewan Bar Association. "A Medical-Legal Perspective on the Disability of Multiple Chemical Sensitivity. Accessible Justice for Persons with Environmental Sensitivities." 20 mins
2024 March 21	Presentation to Environmental Health Associations of Quebec and Canada, La Confédération des organismes de personnes handicapées du Québec (COPHAN). Webinar Improving Indoor Air Quality: A Conference on Healthy Living and Mould Prevention. "Indoor Air Quality and Effects on Health." 30 mins
2024 February 29	Presentation to Quebec Bar. "Accessible Justice and Human Rights for Persons with Multiple Chemical Sensitivity (MCS). Medico-legal aspects of MCS." 20 mins
2024 February 12	Keynote speaker for Annual Atlantic Air Quality and Health Workshop. "Air Pollution as a Modifiable Risk Factor for Chronic Disease." 1 hour
2024 January 30	Presentation to BC's Office of the Human Rights Commissioner. "A Medical-Legal Perspective on the Disability of Multiple Chemical Sensitivity." 25 mins.
2024 January 22, 24 and 26	Presentation to physician members of New Brunswick Medical Society. "Medical Aspects of Multiple Chemical Sensitivity (MCS): A disability with growing prevalence." 30 mins
2023 October 27	Presentation to MCS patients Nova Scotia. "Take Back Your Power: It's Time to Catch Up to the Science." 30 mins
2023 October 25	Presentation to lawyers Newfoundland. "Legal Aspects. Multiple Chemical Sensitivity: It's Time to Act on the Science." 30 mins
2023 October 23	Presentation to MCS patients New Brunswick. "Take Back Your Power: It's Time to Catch Up to the Science." 30 mins
2023 October 19	Presentation to Civil Society New Brunswick. "Social and Disability Aspects of Multiple Chemical Sensitivities." 30 mins
2023 October 18	Presentation to lawyers Prince Edward Island. "Legal Aspects. Multiple Chemical Sensitivity: It's time to act on the science." 30 mins
2023 October 11	Presentation to lawyers New Brunswick. "Legal Aspects. Multiple Chemical Sensitivity: It's Time to Act on the Science." 30 mins

2023 October 10	Presentation to lawyers Nova Scotia. "Legal Aspects. Multiple Chemical Sensitivity: It's Time to Act on the Science." 30 mins
2023 October 5	Presentation to Accessibility Canada. "Multiple Chemical Sensitivity: Eliminating Barriers." 20 mins.
2023 October 4	Presentation to Well Earth Collaborative. Multiple Chemical Sensitivity: "It's Time to Catch Up to the Science." 1 hr.
2023 September 27	Presentation to medical students from the International Federation of Medical Student's Association – Canada. "Multiple Chemical Sensitivities. Biological and Clinical Aspects." 50 mins
2023 September 22	Presentation to Library of Parliament. "Multiple Chemical Sensitivity: Eliminating Barriers." 20 mins
2023 June 7	Presentation to Inclusion Canada. "Multiple Chemical Sensitivity: It's time to act on the science." 20 mins
2023 May 31	Presentation to Ontario Law Society. "Accessible justice for persons with environmental sensitivities. A Medical-Legal Perspective on the Disability of Multiple Chemical Sensitivity." 25 mins
2023 April 3	Presentation to medical students from the International Federation of Medical Student's Association – Québec. "Multiple Chemical Sensitivities. Biological and Clinical Aspects." 50 mins
2023 March 23	Presentation to Quebec Housing Corporation and Quebec BVI – Green and Smart Building. "Indoor Air: Chronic Conditions and Multiple Chemical Sensitivity." 40 mins
2023 February 16	Presentation to Steering Committee, Empowering Communities and Removal of Barriers, Environmental Health Associations of Quebec and Canada. "Multiple Chemical Sensitivity." 1 hr.
2022 January 12	Presentation to Mount Sinai, New York, Occupational & Environmental Medicine Residency & Didactics Program. "Multiple Chemical Sensitivity: The Myths and the Evidence." Attended by residents and faculty physicians from Occupational Medicine programs at Mount Sinai and Yale. 1 hr
2020 November 17	Presentation to Panasonic and Proof Strategies Inc. "Indoor Air Quality: Health and Productivity in the Workplace." 1 hr
2020 November 2	Presentation to Environmental Health Association of Quebec. "Introduction to MCS Part B" 1 hr
2020 September 30	Presentation to Environmental Health Association of Quebec. "Introduction to MCS Part A" 1 hr

2020 September 18	Presentation to Environmental Health Clinic, Women's College Hospital. "Neurological Susceptibility to Environmental Exposures and the Biological Mechanisms of Multiple Chemical Sensitivity" 30 minutes
2019 October 10	Presentation to American Academy of Environmental Medicine. Louisville, Kentucky. "The Pathophysiological Mechanisms of Multiple Chemical Sensitivity: Relationship to Myalgic Encephalomyelitis/Chronic Fatigue Syndrome." 45 minutes
2019 July 9	Presentation to Statistics Canada: "Multiple Chemical Sensitivity (MCS) & The Canadian Community Health Survey." 30 minutes
2019 June 28	Presentation to Langevin Morris Smith LLP, Ottawa ON; "The Development of Chronic Pain Conditions In Low Speed Collisions." 1 hour
2019 May 23	Presentation to Clifford Bergeron LLP, Kingston ON; "The Development of Chronic Pain Conditions In Low Speed Collisions." 1 hr
2018 November 16	Presentation to Institute for Neuro-Immune Medicine, Nova Southeastern University: "The Pathophysiological Mechanisms of Multiple Chemical Sensitivity: Relationship to Myalgic Encephalomyelitis/Chronic Fatigue Syndrome" 1 hr
2018 November 2	Presentation to Statistics Canada re MCS and Canadian Community Health Survey: "Environmental Sensitivities & The Environment" 1.5 hrs
2017 February 15	Presentation to Ministry of Health and Long-Term Care (Ontario) (MOHLTC) to Long-Term Care Renewal, Design Working Group, MOHLTC on behalf of Task Force for Environmental Health, MOHLTC: "Accommodations for People with Poorly Understood Chronic, Complex and Environmentally-Linked Conditions in Long-Term Care Homes" 30 mins
2016 October 18	Presentation to Ontario Region, Board of Directors, Public Service Alliance of Canada: "Multiple Chemical Sensitivity" 1 hr
2016 September 19	Presentation to Task Force on Environmental Health, Ontario Ministry of Health and Long-Term Care: "Multiple Chemical Sensitivity, Overview and Working Definition" 45 mins
2016 September 19	Presentation to Task Force on Environmental Health, Ontario Ministry of Health and Long-Term Care: "Academic and Clinical Perspectives, Historical Perspective & What's New Since October 2013" 30 mins

2016 June 4	Presentation to Ontario Medical Association, 9 th Day in Occupational Medicine: "An Environmental Health Task Force on Environmental Sensitivities and other Poorly-Understood Chronic Disorders: A New Initiative of the Ministry of Health and Long-Term Care" 20 mins
2015 November 26	Presentation to Ottawa Academy of Psychology: "The Contribution of Environmental and Psychological Factors to Chronic Pain, Chronic Fatigue and Many Common Medical Conditions" 1 hr
2015 October 29	Presentation to National Board of Directors, Public Service Alliance of Canada: "Multiple Chemical Sensitivity"
2015 March 6	Mainpro C workshop: 3 hours. "Environment-Linked Illnesses: Chronic pain, fatigue, and chemical intolerance linked to environmental exposures; office assessment and management." Family Medicine Forum. Canadian College of Family Physicians, CME Toronto.
2015 March 6	Mainpro C workshop: 3 hours. "Environmental Impacts on Health: Reducing Common Comorbid Conditions by Encouraging Lifestyle Changes". Canadian College of Family Physicians, CME Toronto
2014 August 13	Presentation to International Association for Ecology & Health. Montreal QC. "Eco Systems Medicine" 1 hr
2014 May 12	Presentation to Environmental Hypersensitivity Association of Quebec, McGill University: "Toxic Legacy and Gender Inequality. Prevention, Diagnosis and Management from Preconception to Old Age" 2 hrs
2014 May 1	Presentation to Asthma Society of Canada: Respiratory Health and Environment Summit. Panel: Clearing the Air Inside - Creating Allergy & Asthma Friendly Homes, Schools, & Workplaces. "For Life and Breath: Allergies, Asthma, and the Environment" 30 mins
2013 November 7-9	Mainpro C workshop for Canadian College of Family Physicians Family Medicine Forum: "Common Chronic Illnesses and the Environment". 3hrs
2013 March 2	Two Mainpro C workshops for Ontario College of Family Physicians: "Environment-linked Illnesses: Prevention, Diagnosis and Management from Preconception to Old Age"
	<ol style="list-style-type: none"> 1. "Chronic Pain, Fatigue, and Chemical Intolerance Linked to Environment Exposures: Office Assessment and Management" 3 hrs 2. "Common Chronic Illnesses and the Environment" 3 hrs
2012 November 16	Mainpro C workshop for Canadian College of Family Physicians Family Medicine Forum: 3 hours. "Common Chronic Illnesses and the Environment".

2012 May 10	Lecture and case presentation, Environmental and Occupational Health Program, Lakehead University, "Biological Indoor Air Pollutants, Adverse Health Effects and Prevention" 1 hr
2011 November 2	Lecture Environment and Human Health, University of Toronto ENV: 341 H1F, "Outdoor Air and Health Effects" 1 hr
2011 November 2	Lecture Environment and Human Health, University of Toronto ENV: 341 H1F, "Indoor Air and Health Effects"
2011 May 10	Lecture and case presentation, Environmental and Occupational Health Program, Lakehead University, "Biological Indoor Air Pollutants, Adverse Health Effects and Prevention" 1 hr
2011 May 4	Grand Rounds presentation, Women's College Hospital, "Indoor Air and Health Effects" 1 hr
2010 November 26	Workshop: "Environmental Health: Taking an Exposure History". Ontario College Family Physicians, 48 th Annual Scientific Assembly, 1.5 hrs.
2010 November 23	Presentation to Canadian Environmental Law Association, "Multiple Chemical Sensitivity", Cornwall ON 1hr
2010 November 17	Presentation to Canadian Environmental Law Association, "Multiple Chemical Sensitivity", Brantford ON 1 hr
2010 October 6	Lecture Environment and Human Health, University of Toronto ENV: 341 H1F, "Outdoor Air and Health Effects" 1 hr
2010 October 6	Lecture Environment and Human Health, University of Toronto ENV: 341 H1F, "Indoor Air and Health Effects" 1 hr
2010 May 28	Presentation to Canadian Environmental Law Association, "Multiple Chemical Sensitivity", Toronto 1 hr
2010 May 13	Lecture and case presentation, Environmental and Occupational Health Program, Lakehead University, "Biological Indoor Air Pollutants, Adverse Health Effects and Prevention" 1 hr
2010 February 23	Presentation to National Network on Environment and Women's Health, "Human Exposure to Chemicals in the Environment, Sex and Gender Implications, Scientific Literature and Clinical Experience" 30 minutes
2009 November 26	Workshop: "Learning the Basics of Environmental Health: Taking an Exposure History". Ontario College Family Physicians, 47 th Annual Scientific Assembly, Toronto ON 1.5 hrs
2009 May 7	Lecture and case presentation, Environmental and Occupational Health Program, Lakehead University, "Biological Indoor Air Pollutants, Adverse Health Effects and Prevention" 1 hr

2009 April 22	Lecture on Indoor Air Quality, Health Safety and Wellness Conference, Association of Management, Administrative and Professional Crown Employees of Ontario (AMAPCEO) 1 hr
2008 January 23	Workshop: 3.0 hours, Office of the Employer Advisor, Ministry of Labour (Ontario), "Effects of Environment on Health"
2007 November 14	Workshop: Annual Scientific Seminar, Ontario College of Family Physicians, "Chronic Complex Conditions, Functional Assessment, and Advocacy for Disability" 3 hrs
2007 March 8	Presentation: Department of Family Medicine, Residents program, University of Ottawa, "Linking Chronic Complex Conditions to Environmental Exposures" 1.5 hrs.
2006 May 26	Presentation: Department of Family Medicine, Residents program, University of Ottawa, "Linking Chronic Complex Conditions to Environmental Exposures" 1.5 hrs.
2005 November 16	Presentation: Workshop, Health Impacts of Smog and Climate Change. Ontario College of Family Physicians. 1.5 hr
2005 November 16	Presentation: Workshop, Indoor Air Impacts on Human Health. Ontario College of Family Physicians. 1.5 hrs
2005 May 20	Presentation: Workshop, Department of Family Medicine, Residents program University of Ottawa, "Linking Chronic Complex Conditions to Environmental Exposures 2 hrs
2004 Nov. 24	Environmental & Health Workshop on Indoor & Outdoor Air Impacts on Human Health, Canadian College of Family Physicians, Toronto. 1 hr
2004 Nov. 24	Environmental & Health Workshop on Linking Chronic Complex Conditions to Environmental Exposures, Canadian College of Family Physicians, Toronto.
2003 October 3	Presentation: workshop on moulds, indoor air and health effects for Conference on Environmental Health, College of Family Physicians (Ont) 1 hr
2001 May 18-19	First International Environmental Illness Conference, Ottawa, ON. Peer Presenter (OCCFP). Workshop on pesticides.
2000 March 1	Lecture - "Sick building Syndrome" at Ottawa Heart Institute 20 mins
1996 February 2	Participating speaker in annual UPDATE Conference - Ottawa Valley Regional Drug Information Service
1996 February 2	Presentation - Report of Task Force on Material Emissions. Green Building Information Council, Ottawa, Ontario
1994 November	Facilitator, Workshop on Sick Building Syndrome and Multiple Chemical Sensitivity. College of Family Practice (Ont.), Annual Scientific Seminar.

1993 October	Facilitator, Workshop on “How to take an Environmental History”, College of Family Practice (Ontario), Annual Scientific Seminar
1992 September	Presentation, Seminar on Environmental Sensitivities, for Medical Division, Canada Pension Plan, 2 hrs.
1990 May	Workshop on Environmental Sensitivities, District Medical Health Council, Ottawa, Ont.
1989 March	Introductory Course for Environmental Medicine, Instructor 3 hrs, Toronto, Ontario
1988	Lecture “Psychological Studies of Patients with Environmental Illness”. Presented to the Medical Symposium on the effects of the Environment on Man in Health and Disease, Toronto, Ontario
1987 October 29	Lecture “Psychoneuroimmunology in Environmental Medicine” Presented at Advanced Scientific Seminar, American Academy of Environmental Medicine. Nashville, Tennessee

ADDITIONAL EDUCATION and COURSES

2023 December 12-13	National Institutes of Health (US) ME/CFS Conference. “Advancing ME/CFS Research: Identifying Targets for Intervention and Learning from Long COVID.” 10 hrs.
2021 August 19-20	IACFS/ME Conference Virtual Scientific Conference.
2020 October 23-25	American Academy of Environmental Medicine. Accreditation 18 hours
2020 October 16	14th Annual Pain Society of Alberta Conference. Norman Doidge. “The Brain’s Way of Healing: New Neuroplastic Approaches to Pain.” 3.5 hrs
2020 August 21	IACFS/ME Conference 1st Virtual Scientific Conference. 4.5 hrs.
2019 October 10-13	American Academy of Environmental Medicine. Accreditation 16.5 hrs
2019 May 21	Webinar “National survey of selected volatile organic compounds in Canadian residences: Canadian Health Measure Survey (CHMS) cycle 3 results”. Jiping Zhu, Senior Research Scientist, Exposure and Biomonitoring Division, Environmental Health Science and Research Bureau, Health Canada. 1 hour
2018 November 14-17	Family Medicine Forum - The Canadian College of Family Physicians 16 hrs
2018 October 5-7	American Academy of Environmental Medicine. Accreditation 15.5 hours

2018 May 4-5	Canadian Collaborative Team Conference on ME/CFS -- Advancing an International Research Agenda to Address ME/CFS Research Priorities. CHU Sainte Justine, Montreal Quebec.
2017 November 8-11	Family Medicine Forum - The Canadian College of Family Physicians 12 hrs
2016 October 28-30	IACFS/ME Biennial International Conference, Fort Lauderdale, Florida. Accreditation 16.5 hours
2016 October 6-9	American Academy of Environmental Medicine. Accreditation 15.5 hours
2015 November 10-12	Family Medicine Forum - The Canadian College of Family Physicians
2014 March 20-23	IACFS/ME Biennial International Conference, San Francisco. Accreditation 16.5 hours
2013 November 28-30	Ontario College Family Physicians, 51st Annual Scientific Assembly, Toronto
2013 November 7-9	Family Medicine Forum - The Canadian College of Family Physicians
2013 October 25-27	American Academy of Environmental Medicine – Accreditation 15.5 hrs
2013 April 19-21	American Academy of Environmental Medicine. Gateway Medical Conference; Fatigue: The Modern Dilemma - Accreditation 15.5 hrs
2012 November 15-17	Family Medicine Forum - The Canadian College of Family Physicians
2012 November 15	Cognitive behavioral therapy. College of Family Physicians of Canada. Mainpro C 6.0 hrs
2012, October 4-6	American Academy of Environmental Medicine – Accreditation 14.25 hrs
2011, November 24-25	Ontario College Family Physicians, 49th Annual Scientific Assembly, Toronto
2011 September 22-25	IACFS/ME Biennial International Conference, Ottawa
2011 June 9-10	Cognitive behavioral therapy. College of Family Physicians of Canada. Mainpro C 12.0 hrs
2009 December 7-10	Society of Toxicology. Workshop: Role of Environmental Stressors in the Developmental Origins of Disease, Miami Florida
2009 November 26-28	Ontario College Family Physicians, 47 th Annual Scientific Assembly, Toronto
2007 November 1-4	American Academy of Environmental Medicine – Accreditation 18.25 hrs
2006 March 24	Ontario Bar Association, 6-hour seminar on "Torts, Reports & Courts."
2005 November 17-19	Ontario College Family Physicians, 43 rd Annual Scientific Assembly, Toronto

2004 November 25-27	Family Medicine Forum - The Canadian College of Family Physicians
2004 November	Immunology Course - American Academy of Environmental Medicine
2004 October 28-31	American Academy of Environmental Medicine - Accreditation 21.5 hrs
2003 November 20	Ontario College Family Physicians, 41 st Annual Scientific Assembly, Toronto
2002 Sept - June, 2003	Counseling and Psychotherapy in Family Medicine, Faculty of Medicine, University of Toronto
2001 November 22-24,	Annual Scientific Assembly of the Ontario College of Family Physicians
2001 November 28-30	Annual Refresher Course for Family Physicians
2001 May 18-19	Family Medicine Forum 2000, Ottawa, Ontario
2000 October 19-21	Annual Refresher Course for Family Physicians, McGill University, Montreal, Quebec
1999 November 18	Annual Scientific Seminar. Ontario College Family Practice.
1998 November 6-8	Annual Meeting American Academy Environmental Medicine; continuing medical education (CME) Category 1 accreditation (AMA) 17 hrs
1995 Sept. 29 - Oct. 13	Annual Meeting American Academy Environmental Medicine, CME Category 1 accreditation (AMA) 32 hrs.
1993 October 9-14	Annual Meeting American Academy Environmental Medicine, Sparks, Nevada CME accreditation (AMA) 21 hrs.
1992 October 24-27	Scientific Seminar in Environmental Medicine, Lincolnshire, Illinois. CME accreditation (AMA) 21 hrs.
1991 October 26-29	Scientific Session Environmental Medicine, Jacksonville, Florida. CME accreditation (AMA) 21 hrs.
1989 October 28-31	Scientific Session Environmental Medicine, Atlanta, Georgia. CME accreditation (AMA) 21 hrs.
1988 October 22-25	Scientific Session Environmental Medicine, Lake Tahoe, Nevada. CME accreditation (AMA) 19 hrs.
1988 April 29-30	Medical Symposium on the Effects of the Environment on Man in Health and Disease, Ottawa, Ontario. CME accreditation (AMA) 12 1/2 hrs.
1986 October 27-30	Advanced Scientific Seminar in Environmental Medicine, Clearwater Beach, Florida. CME accreditation (AMA) 21 hrs.
1985 November 1-5	Advanced Scientific Seminar in Environmental Medicine, Phoenix, Arizona. CME accreditation (AMA) 21 hrs
1984 October 11-5	Advanced Seminar in Environmental Medicine, Chicago, Illinois. CME accreditation (AMA) 24 hrs.
1982 October 3-5	Advanced Seminar in Environmental Medicine, Banff, Canada. Category CME accreditation 24 hrs. (AMA)

1981 Primary Instructional Course in Environmental Medicine,
Hamilton, Ontario

COMMITTEES AND APPOINTMENTS

2023 July 27	Centre for Effective Practice (CEP) Knowledge translation in Primary Care. Topic Expert Working Group: myalgic encephalomyelitis/chronic fatigue syndrome (ME/CFS), fibromyalgia (FM), postural orthostatic tachycardia syndrome (POTS), and multiple chemical sensitivities (MCS) Topic Expert Group
2020 August 14	Solicited input provided to Health Canada for updating the 1993/1995 IAQ in Office Building document; the Health Canada Indoor Air Quality Technical Guide, 2021 Edition
2018 April-May	External reviewer for Health Protection Branch, Alberta Health, Government of Alberta. "Multiple Chemical Sensitivity: Literature Review and State of the Science." <ul style="list-style-type: none"> Released May 6, 2021
2016 May-January 2019	Member, Provincial Task Force on Environmental Health (Ontario) appointed by Minister of Health and Long-Term Care
2016 - 2018	Representative of Environmental Health Clinic, Women's College Hospital; Canadian Partnership for Children's Health & Environment
2014 - 2016	Member, Task Group on Ventilation and Indoor Air Quality. This is a sub-committee of the Standing Committee on HVAC and Plumbing, which is governed by the Canadian Commission on Building and Fire Codes.
2013 March-October	Project consultant: Ontario Centre for Excellence in Environmental Health, Business Case Project (OCEEH-BCP);
2011 November	Initiated and chaired subcommittee for design and implementation of the Environment-linked Illnesses – Prevention, Diagnosis and Management from Preconception to Old Age program. This was a 2 day program awarded Mainpro-C accreditation by the Canadian College of Family Physicians.
2011 June	Member, Canadian Committee on Indoor Air Quality and Buildings, National Research Council Canada
2011 March	Collaborator, Healthy Retrofits: The Case for Better Integration of Children's Environmental Health Protection into Energy Efficiency Programs. Canadian Environmental Law Association. CELA Publication No. 773

2010 February	Advisory Committee, Canadian Partnership for Children's Health and Environment (CPCHE) and the Canadian Environmental Law Association (CELA) Healthy Retrofits Project. This was a two-year project to prevent toxic exposures and ensure indoor air quality during and after energy efficiency retrofits in Ontario, with a particular emphasis on the needs of low-income residents.
2009 October 6	Invited participant, Forum on Early Environmental Exposures and Chronic Disease Prevention, Canadian Partnership for Children's Health and Environment (CPCHE) and the Ontario Chronic Disease Prevention Alliance (OCDPA), Toronto, ON
2008 March 28	Representative, Ontario College of Family Physicians: NGO Consultation on Health Canada's Proposed Priority List
2008 February 5-6	Representative, Ontario College of Family Physicians: Older Adults' Health and Environment - closed workshop. Health Canada, Ottawa, ON
2007	Lecturer, University of Ottawa, Department of Family Medicine
2006 - 2016	Environmental Health Scholar for the University of Ottawa, Department of Family Medicine, Environmental Health Committee, Ontario College of Family Physicians
2006 - present	Medical-legal liaison for Environmental Health Clinic, Women's College Hospital, Toronto
2005	Staff appointment, Environmental Health Clinic, Department of Family & Community Medicine Sunnybrook and Women's College Health Sciences Centre (now Women's College Hospital)
2003 June 9	Representative, Canadian College of Family Physicians, Health Canada's Proposed Position Statement on di-(2-ethylhexyl)phthalate (DEHP) in Medical Devices
2002 February 26	Pilot Workshop for Health Professionals on the Health Effects of air pollution, Canadian Public Health Association (CPHA).
2000	Focus group. Environmental Health Clinic, Women's College Hospital
1998	Member of American Academy of Environmental Medicine
1997 - 2000	Member Clinical Research Advisory Board (Environmental Health Clinic-Women's College Hospital, Toronto), Ministry of Health, Province of Ontario
1995 - 2001	President, Canadian Society of Environmental Medicine (CSEM).

1996	Evaluator - Project in Occupational Health & Safety, Department of Occupational Health, Faculty of Medicine, McGill University
1995	Focus group for development of diagnostic protocols for Environmental Hypersensitivity. Department of Preventive Medicine and Biostatistics (now the Department of Public Health Sciences since 1997) University of Toronto
1995	Participant on Advisory Panel Discussion on Environmental Sensitivity Disorder. Department of Preventive Medicine and Biostatistics, (now the Department of Public Health Sciences since 1997) University of Toronto
1995	Participant, Health and Housing Workshop by Health Canada, Natural Resources Canada and Canada Mortgage and Housing Corporation
1994	Member, Committee on Effects of Environment on Health, College of Family Practice, Ontario
1994	Chairperson, Working Group on Health Data, Task Force on Material Emissions, Canada Mortgage and Housing
1993	Medical Advisor, Pilot Study, Environmental Sensitivities in the Workplace, Public Works Canada. Contract No. 330-2029-1
1993	Member of Task Force on the Effect of the Environment on Health, College of Family Practice (Ontario).
1993 May	Medical Advisor, Pilot Project on Sick Building Syndrome, Public Works Canada.
1992 December	Participant, Workshop (closed) on Chemical Sensitivities and Their Relevance to Psychiatric Disorders. Mental Health Division, Health Services and Prevention Branch and Laboratory Centre for Disease Control, Health & Welfare Canada
1992 - 1998	Medical Advisor - Task Force on Material Emission Standards - CMHC
1991	President, Canadian Society for Environmental Medicine
1990 September	Participant Environmental Sensitivities Workshop (closed). Ministry of Health, Province of Ontario
1990	Participant Environmental Sensitivities Workshop (closed). Laboratory Centre for Disease Control, Health and Welfare, Canada
1987	Chairperson of Education, Canadian Society for Environmental Medicine
1985	Founding Member - Canadian Society for Environmental Medicine

- 2019 July Collaborator: The Legal Rights and Challenges Faced by Persons with Chronic Disability Triggered by Environmental Factors. By: Wintermute D. and Cooper K. ARCH Disability Law Centre and Canadian Environmental Law Association.
- 2019 February Collaborator: Fragrances and their effects on public health: A narrative literature review. By Farah Ahmed: aseq-ehaq.ca. Google Scholar
- 2017 July Collaborator: A White Paper for the Ontario Task Force on Environmental Health. By: Howard Hu. In: Time for Leadership: Recognizing and Improving Care for those with ME/CFS, FM and ES/MCS. Task Force on Environmental Health. Phase 1 Report. July 2017.
- 2015 January Collaborator: Taking an Exposure History: Ontario College of Family Physicians and Environmental Health Clinic/Women's College Hospital. By Lynn Marshall
- 2013 November 25 Collaborator: Human Health Effects Associated with Emissions and Odours From Heavy Oil Operations in the Peace River Area. Proceeding 1769924. Margaret Sears PhD. Prepared for the Alberta Energy Regulator.
- 2013 October Author: "Academic and Clinical Perspectives" of the Ontario Centre of Excellence Business Case Project for the Ontario Ministry of Health and Long-Term Care. This 140 page document contains 1102 citations.
- 2011 August 10 Co-Author: Environmental Sensitivities-Multiple Chemical Sensitivities Status Report. Advances in Knowledge, and Current Service Gaps. Environmental health Clinic Women's College Hospital
- 2011 March Collaborator: Healthy Retrofits: The Case for Better Integration of Children's Environmental Health Protection into Energy Efficiency Programs. Canadian Environmental Law Association.

- 2009 – March 31 Author: Air Travel and Chemical Sensitivities. The Canadian Transportation Authority Agency retained services to produce this report pertaining to MCS in the context of air travel. The report led to the decision that use of oxygen by mask is appropriate accommodation for MCS (Decision No. 245-AT-A-2010 - June 14, 2010).
- 2007 – May 4 Collaborator: The Medical Perspective on Environmental Sensitivities. Canadian Human Rights Commission. By: Margaret E. Sears. 2007.
- 1999 Co-author with Stricker Associates Inc.: Review on the Specifications of Indoor Linkages. Report prepared for: Health Protection Branch, Health Canada
- 1988-89 Chief Author, Position Paper of the Canadian Society for Environmental Medicine, 1988 and second edition, 1989

PROFESSIONAL MEMBERSHIPS and ACTIVITIES

Adjunct Professor. Department of Family Medicine. University of Ottawa
 College of Physicians and Surgeons (Ontario) - License Number 26190
 Ontario College of Family Physicians
 College of Family Physicians of Canada
 Ontario Medical Association
 Canadian Association of Physicians for the Environment
 International Association for Chronic Fatigue Syndrome/Myalgic Encephalomyelitis
 Canadian Committee on Indoor Air Quality, National Research Council

MEDICAL ADVISOR

Canadians for Properly Built Homes, advisory council
 Environmental Health Association of Quebec, medical advisor
 Environmental Health Association of Canada, medical advisor

ACADEMIC DEVELOPMENT

Canadian College of Family Physicians: Development of OCFP Mainpro-C session: *Common Chronic Illnesses and the Environment*.
 Canadian College of Family Physicians: collaborated on OCFP Mainpro-C session: *Chronic Pain, Fatigue, and Chemical Intolerance Linked to Environment Exposures: Office Assessment and Management*. Accredited May 2012, September 2015.
 Ontario College of Family Physicians Symposium: *Mapping the Future of Continuing Professional Education*. May 23, 2014
